

Framingham Learns - Education

Framingham Public Schools have art, music and media teachers in every school; internet access in every classroom; a student-teacher ratio of 13.2 to 1; as well as ESL; and special ed and gifted programs. In addition, Keefe Technical School offers alternatives to traditional high school education. **85% of Framingham High seniors go on to college.**

We have over 40 sports and extracurricular activities available for our kids, including award-winning high school drama and broadcasting programs. In addition to the public schools, Framingham's private schools and higher education options offer the diversity that makes Framingham an exceptional place to educate your family.
