Downtown is an eclectic mix of government agencies, cultural organizations, civic institutions, great ethnic food, and specialty retail shops. Several high-profile start-ups including MediaBoss, Hogan Brothers Coffee Roasters, Jack's Abby Brewing, Exhibit 'A', and Sofá Café have also made downtown their home.

In addition to shopping, museums, and concerts, there are many events downtown, including the Boston Marathon, which brings thousands to downtown every year to cheer on the runners.

Over the past 10 years, the City has worked hard to encourage residential growth in the downtown area and to support surrounding neighborhoods in order to create a more vibrant, diverse destination.
